Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Great in terms of number and variety of songs, but everything in it is really simple to play, so

depends on how advanced your trombone player is. If you just need something for fun, it's great, but there is nothing challenging in here.

Good selection of songs that are simple enough for someone who hasn't played in years to pick up very quickly. And for those with better chops it's still a good base to improvise off of. This one will make an appearance every Christmas I'm sure.

Holy cow. This book is amazing. I have it on my iPad and I love. Some of the music is broken up on 1 page which makes zooming difficult, but I just screenshot it and zoom that way.

Great book

Just what my second year player wanted for the Christmas season.

Easy to transpose to my Bb Tuba.
