What my lovely readers thought about the stories This is a lovely story about turning to God, finding faith again, love, family, and being happy to turn her life over to God, and the Amish lifestyle. Another great book by Hannah Schrock Truly a great love story with a precious child right in the middle of it. Love at first sight and a life changing experience I enjoyed this book very much I have read many books of the Amish. This one pulled at my heart with Becca and her life The 3 Book Trilogy Includes Book 1 - The Amish Orphan's Christmas When Holly meets Evan and Becca for the first time, she's taken by his handsomeness, and swayed by Becca's quiet nature. When Becca begins to grow close to Holly, she finds her heart becoming attached to the little orphan girl and her very admirable uncle. Book 2 - The Amish Orphan - Finding A Family When a young woman seeks Holly out, claiming to be her half-sister and sharing good memories of her childhood with their father, Holly has to push aside her feelings of jealousy and envy. Her new sister Megan is hurting and suffering from depression that threatens her very existence. Book 3 - The Amish Orphan - Finding Faith The family had not been without trial, but their problems seemed to be in the past. That is until little Becca resumes the childhood night terrors she had in the years following her rescue from the burning house which took the lives of her parents. Only now there is a new addition to her nightmares, a woman whose face remains distinctly indiscernible. The nightmares start eating away at the little girl until she is questioned into revealing their return.

Customer Reviews

Loved this set! I would have given it a 5 star but it had many typos. I had to reread several times because the names were messed up. However, this was worth reading. Loved them.

God tells us to expect trials and tribulations in our lives. Just because we are Christians doesn't mean that everything will be perfect all of the time.

The stories were really good. It is always good when you can reunite with family you do not know. There was a lot of different things going on in the story. I enjoyed the stories.

More editing needs to be done. This did not appear to be of a professional piece of write. Disappointed that it was approved for distribution by .
