Emergency Medical Technician (Careers That Count)

Synopsis

Emergency medical technicians are heroes on the move. As first responders, they have to stay calm and act quickly. They also need to operate complex equipment and do everything they can to save lives, all while under extreme pressure. Readers will get a glimpse at the exhilarating life of this heroic career, learning what it takes to be an EMT and what a typical day is like. This information-rich text covers training, specializations, certifications, and the steps necessary for getting involved in this career that counts. Readers will learn about the risks and rewards of being an EMT and are encouraged to think about if they, one day, could join their community's team of heroes. Fact boxes, sidebars, and helpful infographics provide opportunities for additional learning.

Book Information

Customer Reviews

Gr 4-6-This engaging series explores several gratifying yet dangerous careers and thrusts readers into the action from the outset. General job information, such as education and training requirements, physical characteristics, and equipment used, is interspersed with more specific data in sidebars-"A Typical Day," "Careers That Count," and "What Makes a Great"-providing a balanced look at the risks and rewards associated with each profession. Complementing the text are dynamic color images of these highly skilled individuals in action, whether saving a struggling

swimmer or helping refugees, reinforcing the message that these are the people who keep us safe. Graphic organizers, including a spread laying out the many steps needed to prepare for a meaningful career saving lives, will both inform and engage readers. VERDICT Put these titles on display-they won't stay there long. (c) Copyright 2011. Library Journals LLC, a wholly owned subsidiary of Media Source, Inc.
