Customer Reviews

"In terms of comprehensiveness of coverage, the very accessible format, and the enthusiastic tone,

this series remains one of the best on the market." *Booklist* "Fodor's super-informative guidebooks are known for accuracy and attention to detail" *The Sacramento Bee* "The Fodor's guides are notable for their ratings of sights, restaurants, shops, accommodations and attractions." *Chicago Tribune* "The great detail, infectious spirit, and attractive format are distinguishing traits of these guides, which are entries in one of the top series in the business." *Booklist* "Fodor's can help you plan the perfect adventure" *The Arizona Republic* "Always thoughtfully written and easily readable, Fodor's travel guides have become a must-have when traveling to unfamiliar destinations" *Mid South Magazine* "Widely recognized as the gold standard of mainstream travel" *Honolulu Advertiser*

The Fodor's book excels in helping you find a nice hotel, with lengthy explanations about amenities and location. It only falls short in the general information section, where it can't come close to the Moon Handbook for Tahiti. But as first mentioned, the Moon book doesn't provide sufficient detail on the properties themselves. Also, don't expect a Lonely Planet-type focus on low-end properties. It's not there. Still, you could easily get by with just the Fodor's book. It has all you need.

Mediocre information.

This Fodor's Tahiti is OK for reference, but there are better books on the market. It lacks some "in depth" coverage.

The information found in the pages of this book was very helpful. Anyone traveling to Tahiti and the surrounding area should get this book,

It gives good info in a compact edition. I don't have anything else to say, but this reply requires me to use more words.

Thank you! I ordered very close to Christmas and got it before Christmas! It is as advertised (NEW) and I am very pleased with the book. Thank you so much for getting it to me in such a timely manner!
