Law, Policy, And Higher Education (Loose-Leaf Edition)

Synopsis

Law, Policy and Higher Education fills a gap in the market for casebooks on higher education law, as the materials presented lend themselves to timely and important discussions of both law and policy issues.Â Â Chapters 1 and 2 provide an overview of higher education with respect to the laws and policies that shape its roles and responsibilities in societyÂ Â Chapters 3 and 4 examine the college's employment relationship with faculty and staffÂ Â Chapters 5, 6, and 7 explore the rights and responsibilities of studentsÂ Â Chapter 8 addresses how the university affects and is affected by the intercollegiate athletic enterpriseÂ Â Chapters 9, 10, and 11 present the influence and impact of government regulations as well as higher education's efforts to shape policies that further institutional aims, and manage university resourcesÂ Â Chapter 12 addresses issues of intellectual property, especially involving faculty, but with an eye on public/private partnerships, ownership, and commercialization of researchÂ Â Chapter 13 presents an expose of persons with special needs, a largely overlooked and underserved population within the university

Best Sellers Rank: #274,307 in Books (See Top 100 in Books) #59 inÂ Books > Law > Specialties > Educational Law & Legislation #32233 inÂ Books > Reference #70871 inÂ Books > Textbooks

Customer Reviews

I'm a new administrator in higher education, and we used this book for a masters class. The cases that are contained in this book made it easy for the professor to connect concepts to real life situations. I'm glad that I took a course on legal aspects of higher education and that we were assigned this book. This book contains many resources and clear explanations.
