Spectrum Geography, Grade 5: United States Of America

Synopsis

Winding through purple mountains majesties and amber waves of grain, the standards-based Spectrum(R) Geography: United States of America for grade 5 guides your child's understanding of maps, ecology, historical events, population, and more using colorful illustrations and informational text. Spectrum(R) Geography is an engaging geography resource that goes beyond land formations and maps—it opens up children's perspectives through local, national, and global adventures without leaving their seats.
