Customer Reviews

Thanks to my fellow reviewers. I decided to buy this a give it a try, it's my first manga so thank you ,awesome read loved it , holy smoke was it hot ,I am hooked will be looking for more from Kodak and others

It was a fun read and I am soooo glad this is just one illustrated novel and not a part of a series. It didn't take away anything from it being a manga. It still felt like reading raunchy novels.

Loved it great story and great sex scenes plus not boring at can't wait till volume 2 comes out !!!!
Above all story was better then the smutty scenes

This is a very good manga short story. I loved the first love and meeting up years later. True love at last.

Was nice with a nice story line and we'll drawn. The characters were not too bad like you find in some of these short stories
