# All For The Boss

## **Synopsis**

The bestselling classic that has touched the hearts of readers the world over, is now newly revised and expanded. This is the inspiring story of the life and impact of R' Yaakov Yosef Herman, a Torah pioneer in America, told by his loving daughter. This powerful book will enchant and uplift, and will take the reader back in time to glimpse a portrait of the great personalities of yesteryear.

## **Customer Reviews**

I loved it. Great historical account of some of the head Rabbis from the turn of the Century. Well written like a novel

Book was used yet arrived quickly in perfect condition. Love this book and the perspectives that the author writes from. Ruchama took me back in time. This is a must read and a good addition to your library.

Excellent book. Great stories to share with the family to inspire caring for others.

It's great!

I read this book and when discussing with a friend and her mother, decided to buy her a copy! She really liked it--and was pleasantly surprised to receive it too! Wonderful book!

This book is a Jewish classic. Warm memoirs by a daughter, giving us a glimpse into life for a religious Jewish family in America 50-100 years ago.

All for the Boss offers a rare glimpse into the world of a tzadik. How he ate, slept, raised his children, related to his parents, chose a wife and more. The choices he made are nothing less than awe inspiring. A friend lent me her book and before I was done reading it, I resolved to buy my own copy in order to lend it out to as many people as possible. It has left such an impression on me that I can plainly say that there has been many a time that I stop and ask myself "is this what R' Yaakov Yosef Herman would do?" If I could narrow down which books have had the most impact on my life, this would be at the top 5. I can't recommend it highly enough!

I started this book some years back, and left it after the first few pages. Years later, at the prompting of a friend I tried it again. I'm glad I did. This book offers a rare glimpse into life from the early 1900's America through the late 1970's through the eyes of the daughter of one of the pioneers of American Jewry. The subject of the book, was frequented by the greatest rabbis of the time - men such as Rabbi Boruch Ber and Rabbi Reuben Grozovsky. His daughter writes about her life in Mir, Poland before and after the war. The stories of their lives, combined with the experiences with some of the great Jewish luminaries of recent years makes for a moving and enjoyable read.
