Peach Boy And Other Japanese Children's Favorite Stories

Synopsis

This colorfully illustrated multicultural children's book presents several Japanese fairy tales and other folk stories—providing insight into a rich oral culture. Welcome to a fantastic world populated by magical teakettles, long-nosed goblins, brave warriors, and a host of other beloved characters who have lived on for centuries in the traditional tales of Japan. Drawn from Japanese folklore that has been passed down from generation to generation, the nine enchanting stories collected in this volume have been lovingly retold just for today's readers. Vibrantly illustrated and full of thrilling adventures, funny discoveries and important lessons, they're sure to become story time favorites. Included are some of Japan's best-loved children stories: Peach Boy The Magic Teakettle Monkey-Dance and Sparrow-Dance The Long-Nosed Goblins The Rabbit in the Moon The Rabbit in the Moon The Tongue-Cut Sparrow Sill Saburo The Toothpick Warriors The Sticky-Sticky Pine

Customer Reviews

"The books have a generous, easy-to-handle size and the text is produced in a large font. Charmingly decorated endpapers welcome readers. All of the artwork—consisting of numerous full-page pictures and smaller detail illustrations—is in color. The delicate paintings blend traditional images with touches of gentle humor. Incorporating straightforward

language and clear dialogue, the retellings are accessible to youngsters and read aloud smoothly."

Florence Sakade was an experienced editor and author of numerous books about Japan, including Tuttle Publishing's Urashima Taro and Other Japanese Children's Stories, Little One-Inch and Other Japanese Children's Stories, and Kintaro's Adventures and Other Japanese Children's Stories. Illustrator Yoshisuke Kurosaki was one of Japan's most noted illustrators of children's books. He also illustrated Little One-Inch and Other Japanese Children's Favorite Stories.

Very thrilled to have found this book. Have wanted to find it and buy it for my kids. Thank You

i take care of my daughter and a little boy, both two years old, and i am teaching them about other cultures (one a month) for... well, forever. right now part of their education is traditional stories from each we study. this book is PERFECT for that!!! this is exactly what you expect from the description. it includes the stories peach boy, the magic teakettle, monkey-dance and sparrow-dance, the long nosed goblins, the rabbit in the moon, the tongue-cut sparrow, silly saburo, the toothpick warriors, and the sticky-sticky pine. the illustrations are pretty small- at least not full page, but the kids love it as much or more than any of their massive colour packed picture books. highly recommended for anyone who would like to have a really great little collection of traditional japanese stories

Love this book. So many cute stories with life lessons.

I remember my mom reading these stories to me when I was in elementary school. I kind of wish that the cover wasn't a removable jacket -- the original version of this book had the cover printed on, so it didn't require a jacket. I know that there is a version available with a CD for listening and follow-along, but that version seems to lose some charm. All in all, the stories are translated from original language quite well, and I look forward to the day when my little one can listen to the stories without ripping the pages.

This is the same book that my mother used to read to us when we were little. Very fun to read it again with an adult eye.

This is a family favorite. I bought this book when our Navy family was stationed overseas in Japan! I

read it often to my first son, MY PeachBoy! Now his wife is pregnant with their first son---and I have bought another copy for him. I know my son and his family will enjoy sharing this, and it will become part of the fabric of childhood once more! HIGHLY RECOMMEND this wonderful Japanese classic. ENJOY!

Great stories! My son who is 4 loves this book.

A favorite from my childhood.
