Customer Reviews

The setting in Hawaii for a destination wedding was fun, and of course, made me wish I was there. What I really loved about this story were the characters. Birdy has a reality tv show, and yet she was kind and down to earth. Ares is a high-powered attorney, but not cocky or snobbish. Just

like in real life, the characters were more than my first impressions or expectations. The romance was sweet and well-paced. Content: clean (some kissing, no swearing, some religious content)

A great story, worth every minute of reading. Loved the follow-up on Max and Katie . A wonderful love story for Birdy . Well done Carly!

I'm so glad more was written about Birdy! I loved her character from the first book! Ares was the perfect match for her.

This is a book about how love can uplift you in the trying moments and make you stronger than you ever been alone.
