The Greatest Music Stories Never Told: 100 Tales From Music History To Astonish, Bewilder, And Stupefy (The Greatest Stories Never Told)

Synopsis

"Full of tasty morsels. A delightful book to arm one for the next dull cocktail party." —**Chicago Tribune**
Rick Beyer, author of the highly successful History Channel series *The Greatest Stories Never Told* returns with new historic tales from the world of music — ennobling, entrancing and inevitably surprising stories of soaring genius, tantalizing scandal, nefarious intrigue, and, above all, unbridled passion for music. Perfect for fans of *The Mental Floss History of the United States* or Bill Bryson's *Made in America*, Beyer's *Greatest Music Stories Never Told* is "history like you've never read it before." (The Tennessean)

Customer Reviews

"An effortless summer read for the music lover." — (Houston Chronicle)
"We picked up the book expecting to inflate our egos, reinforcing the myth that we know everything there is to know about music history. Short answer- we were wrong, very wrong." — (LA Weekly)
"A little book you won't be able to put down." — (Florida Times-Union)
"History doesn't have to be boring and author Rick Beyer proves it with this fun look at music." — (Rock Book Show)
"Full of tasty morsels | A delightful book to arm one for the next dull cocktail party." — (Chicago Tribune)
"History like you've never read it before | Amusing." — (The Tennessean)
"100

stories you haven't heard will delight in knowing. Lively, offbeat and surprising in quick-hit snippets. (Denver Rocky Mountain News) "Surprising the essentials of fascinating stories are here. (Dallas Morning News)

Did you know about: The ballet that sparked a riot? The rock star who became an astrophysicist? The song that saved Wheaties? The man killed by his own conducting? The controversy behind "Mary Had a Little Lamb"? Prepare to be astonished, bewildered, and stupefied by the tantalizing tidbits of music history collected here: amazing stories about jazz, classical, country, rock & roll, hip-hop, show tunes, composers, band names, song lyrics, instruments, technology, controversies, and more. Learn how the FBI spent years trying to decode the lyrics of one rock song. Discover how Watergate provided the inspiration for A Chorus Line. Find out how one megahit was born in a history class, while another was dashed off in a fit of anger at actor Robert De Niro. Meet the monk behind soft "ge, the aviation pioneer who created Muzak, and the prisoner who literally sang himself out of jail. Then there's the most important person in rock & roll history - chances are you've never heard of him! Continuing the successful Greatest Stories Never Told series, Rick Beyer has delivered another classic volume for history and music buffs alike.

This is a fun book. Rick Beyer has written a series of these specialty anecdotal books. They were done with collaboration with The History Channel. You can pick up this book and read one or two stories, then put it down. There's just one thing: because the books are so similar, it's likely that one or two pieces will be repeated in another book. There are only so many stories surrounding the same topic, and I'm sure it depends on the subject matter. It's still okay. 85% of the pieces are specific to each book.

Got this for my grandfather-in-law and my brother-in-law, very cool book!

Nothing new here.

I love the books in this series, they are full of very interesting and, for the most part, very little known details about history. This is ideal for music lovers; it even includes links to the songs it talks about so you can listen to them!

We are big fans of this series and the music edition did not fail us. The stories are entertaining and educational, and they make for great conversation! These books are the perfect little gems for the curious minded and the trivia lover.

Really interesting stories here...great gift for music lover.

Love these books, full of little know interesting facts.

"The Greatest Music Stories Never Told" by Rick Beyer is a fascinating look at musical events and history. I gave this book to my niece, a music major, as a gift when she graduated from college.
