This is a great, funny, relaxing way for us moms to enjoy soccer even more...I love to color b/c it is a great stress reliever and now having these hilarious soccer bits to read just makes it even better! Heather nails it with some hilarious commentary regarding things that happen on and off the field. Being a Goalie Mom - I love that there is page for us...I will probably start with that page first. I have 2 boys active in soccer...so this is definitely going in MY soccer bag!

What a unique adult coloring book! In all the ones out on the shelf, this one is different. Although I am not a Soccer Mom, but a softball, dance and gymnastics mom, I have found this book amusing and fun. Love the tid bits of inspirational quotes and guidance from the author. The book is filled with great coloring pages to keep any parent or older sibling watching any game, entertained, happy and calm.

Great coloring book with wonderfully drawn images to color. Perfect for those soccer moms for Mother's Day!

Humorist Heather Porazzo successfully demonstrates that being a soccer mom doesn't take a lot of your energyÃ¢Â¢Â¢ it just takes most of it. She conveys the soccer mom perseverance, dedication and emotional squeeze with exacting candor. Genuinely laugh out loud. 5 stars.

Just got this for a gift and can't wait to give it to my friend! Humorous and fun. Perfect gift for any soccer mom!

This is so funny and witty! I liked the variety of pages to color and the humor associated with the pictures. Going to order some as gifts for my fellow soccer moms, just in time for Mother's Day!

If you are a soccer mom, you need this coloring book. I recognized myself in every quotes and the images are great.

What a wonderful Mother's Day gift for moms who spend most of their days at the soccer fields. Heather's illustrations are cleverly assembled with captions that will warm your heart and make you laugh out loud as you turn the pages. And unlike many coloring books I've seen this one will keep you occupied for some time with over 120 pages of material. All to help destress your day after a nerve wracking day at the fields!
