Thumb Position For Cello , Bk 2: Thumbs Of Steel

Synopsis

As with the other books in his ...for Cello series, Rick Mooney has made the learning of a specific technique easier and more enjoyable than ever before. Book 2 continues where Book 1 left off and includes classical music, folk tunes, and original pieces by Rick Mooney such as "Around the Gypsy Campfire," "Harry the Hirsute Housefly," "Petite Partita" and much more. As in Book 1, all of the pieces have been arranged as duets, with a second cello part for the teacher (or other students in a group class) to play.

Customer Reviews

This is one of the repertoires that cello student should not miss.

This book offers some wonderful basic information for any cellists needing a good foundation on thumb position. It can also apply to advanced or intermediate cellists!

Book was as expected. Nice product and shipping.

good

Haven't used this much yet, but I'm sure it will be as good as the first book.

looks great...haven't started it yet, but the first one is great so this one should be also
