God And The Victim: Theological Reflections On Evil, Victimization, Justice, And Forgiveness

Synopsis

A probing look at one of America's pressing social concerns--crime and the spiritual needs of those who suffer because of it. Headlines and nightly news programs remind us constantly of the reality of crime and victims who suffer from it. This important book is the first to make a theological exploration of the spiritual issues that victims face in the aftermath of crime and to offer practical advice for assisting those in need. Written by teachers, theologians, and practitioners well known for their expertise in the field, *GOD AND THE VICTIM* probes and examines issues of evil, justice, victimization, and forgiveness. Working from the view that crime is primarily a spiritual issue, the authors look at examples of victimization in the Bible for guidance about we can better minister to victims today. Readers of the book will attain a deeper understanding of what crime victims experience, insight into their practical and spiritual needs, and concrete suggestions for giving wise and sensitive help. Including thought-provoking sidebars and study guides for personal or group use, this volume is the best available resource for readers ranging from pastors and counselors to individuals whose own lives have been impacted by crime.

Lampman is president of Neighbors Who Care. Shattuck is manager of resource and research development for Neighbors Who Care. Chuck Colson was a popular and widely known author, speaker, and radio commentator. A former presidential aide to Richard Nixon and founder of the international ministry Prison Fellowship, he wrote several books that have shaped Christian thinking

on a variety of subjects, including Born Again, Loving God, How Now Shall We Live?, The Good Life, and The Faith. His radio broadcast, BreakPoint, at one point aired to two million listeners. Chuck Colson donated all of his royalties, awards, and speaking fees to Prison Fellowship Ministries.

This book was purchased for our library upon recommendation of one of our professors as an excellent resource for student learning and research.

This book is amazing. I really enjoy reading it.

this book was used as an assigned text for review in a class. While opinion vary, the book is invaluable in presenting the presence of God in the midst of circumstances even when we don't think that he's there.

Various essays written with clarity and short enough to not become tedious. I recommend this for those interested in exploring the victim's side of sin
