## Love First (True Friendship Book 6)

## Synopsis

Ready or not, it's time for Brianne to start her second year of high school. On the first day, Austin has a surprise for her, and it sets the tone for the weeks and months that follow. As their friendship continues to deepen and they both take new steps of faith, they face delightful moments together and challenging ones. What will it all mean for the future? Allie is enjoying getting to know Joel better through letters, phone calls, and the times he is able to come visit. It's a pleasant reality she wasn't expecting, and God's not done surprising her yet. Changes in her relationship with her parents, and their relationship with one another are happening when she had almost given up hope. \*Love First is the sixth book in the True Friendship series. Books in this series are meant to be read in sequential order.
