Phenomenal

Synopsis

A lump formed in his throat, nervousness filling him, but he forced his thoughts out. "I like you. A lot." She sighed, the sound long. "I like you, too."-----Sixteen-year-old Corey Freeman likes the new girl across the street. Kennedy Palmer is pretty and sweet and fun to be around. When he decides to kiss her, it seems the moment is never right. He fails twice but refuses to give up. Then a huge misunderstanding threatens to ruin his chances once and for all. A story of first love and that magical first kiss by best-selling author, SUZANNE D. WILLIAMS. 15,000 words. Clean Romance.

Customer Reviews

I have chosen to give this I great love story of five stars! I really had enjoyed it very much! have to buy this ebook ! It's great pretense and teens ebook. One you may find hard to set down once you're into this book's story, I did! I recommend this ebook especially for preteens and teens and even older adults who enjoys a short love story with some excitement in it! I received this ebook free from the author in exchange for doing reviews! Great work Suzanne! By Angela

Suzanne's newest YA short story, Phenomenal, fails to meet the mark. Kennedy just moved in next door and she is entranced by him. Corey doesn't seem to notice Kennedy looking at him until his friend, Jason, tells him. Corey doesn't do introductions so when time presents itself, he saves Kennedy's step-sister Lindsey from being hit by a car. And from then on, they blossom in to more. Instantly, the two like each other and I don't understand why there wasn't some sort of a build up to them admitting that to each other. However, I feel like this story was missing something; like that pinch of salt or pepper in your Christmas Dinner. My favorite character was Jason actually--even though I saw him for 10 seconds. He was funny and I wish we saw him more. I LOVE Suzanne's YA novels (all her stories for that matter), but I was disappointed with this. It was okay, not great, not the worst, just okay. I still will continue reading her stories because I'm a loyal fan.

I enjoyed the book and it has a HEA (Happy Ever After) ending which is always nice and the characters were cute together.
