Customer Reviews

Martha Maeda is a freelancer, ghostwriter, and author of more than 20 books including *The Complete Guide to Green Building and Remodeling Your Home*, *Basic Guide to Investing in ETFs*, *How to Wipe Out Student Loans*, *How to Solar Power Your Home*, *How to Open & Operate a Financially Successful Independent Record Label*, and *101 Sunday School Activities on a Tiny Budget*. She is passionate about helping people who might not otherwise become authors to self-publish their work and discover their writing potential. She currently lives with her family in Orlando, Florida.

If you're considering going solar, and want both practical and technical information before taking the leap, this is the book to buy. I first discovered a copy on a friends' bookshelf while visiting him in

Pittsburgh over the Christmas holidays. It's very well written, easy to understand and follow, and covers all aspects related to the realm of solar power. It's a great investment, you can't go wrong with this one!
