The Theatre Experience, 12th Edition

Synopsis

The re-imagined twelfth edition of *The Theatre Experience* is students' ticket to the best seat in the house. From Broadway to makeshift theater spaces around the world, the author demonstrates the active and lively role they play as audience members by engaging them in the collaborative and creative processes behind and in front of the curtain. Wilson introduces students to the roles of the performers, directors, producers and designers, while emphasizing the insights they as audience members bring to any production. Recast as fifteen chapters, the twelfth edition better accommodates today's teaching schedules, as well as improves accessibility for students by concise insight and up-to-date vibrant production visuals. Students join the creative process with *The Theatre Experience*, and rehearse for their role as life-long audience members.

A picture book for adults. There is some great content in here but if you took out all the full page or half page pictures and the chapter title pages the book would lose more than half its length. A college textbook that demands a good teacher to go with it.

Came in brand new condition which is great. After going through the book it seems pretty straightforward and easy to use. Hopefully this class will be an easy A!

Good textbook.

The Theatre Experience has a ton of pictures and plenty of descriptions of theatre concepts. It's great for a huge, lecture class, which is appropriate for theatre. I can't ask for anything more.

The book brings the theater to life for everyday people. A wonderful read and a must have whether you are a beginning or a veteran of the theater. Bravo!

it really is the best book for theater experience, great descriptions, easy to understand, focused, and very applicable

All good arrived as promised

I am unfamiliar with the theatre and wanted to learn. This book is both informative and captivating with many photos and references from past to present. I enjoyed learning how terms like "being in the limelight" and "being upstaged" originated and their meaning. Overall, I enjoyed this read very much.
