Customer Reviews

Stanley A. Block began collecting marbles in the 1960s. He founded the Marbles Collectors Society in 1975. He is also the author of several additional books on marbles published with Schiffer Publishing.

The book arrived on time. It will be fun to study all the old marbles and start collecting them again. It looks like a good resource.

The Block family are true marble gurus. They make learning all about the addicting glass balls easy.

Great reference book for vintage and antique marbles.
