My Tooth Is Loose, Dr. Moose

Synopsis

With a little bit of "Moose Magic," going to the dentist can be fun! When Lily Leopard, Simon Squirrel, and Benjamin Bunny have a loose tooth, they go to Dr. Moose. The dentist gets rid of the patients' loose teeth with such "Moose Magic" techniques as wiggling, pushing and pulling, and giving a patient a crunchy carrot to eat. Benjamin Bunny won't have to worry about his loose tooth when carrot season arrives, and kids will get the idea that going to the dentist can be fun!

Book Information

Lexile Measure: AD530L (What's this?)

Paperback: 32 pages

Publisher: Cartwheel Books (August 1, 2012)

Language: English

ISBN-10: 0545289106

ISBN-13: 978-0545289108

Product Dimensions: 7.8 x 0.1 x 0.2 inches

Shipping Weight: 4 ounces

Average Customer Review: 5.0 out of 5 stars 2 customer reviews

Grade Level: Preschool - 3

Customer Reviews

Teresa Johnston is currently working on her nursing diploma. She lives in Ohio with her husband and two children, Ben and Lily. This is her first picture book. Brian Sendelbach spent years writing and drawing the absurdist weekly comic strip *Smell of Steve, Inc.* His illustrations have been printed in a variety of newspapers across the United States, and his "inspiredly silly" comics have been featured in publications by Dark Horse Books, Fantagraphics Books, and Nickelodeon. He lives in the Midwest with his wife, Elizabeth, and their two children. His first picture book, *THE UNDERPANTS ZOO*, was recently published by Orchard Books.

We first saw this book during my daughter's visit to the dentist, right after they showed us her front tooth was loose. We read it together and my daughter giggled at just about every page. She loved

the book so much, she wanted to take it home with us, but knew she couldn't. After we got home I looked up the book and ordered it without telling her. 3 days later, she got the book in the mail and has been reading parts of it on her own as part of our nightly reading time. She has since lost both front bottom baby teeth, but still loves to read this.

Perfect for 5 and 6 year olds losing their first tooth. Even younger children will enjoy the adventure and be prepared for the big step. Very cute, my 3 and 6 year old grandchildren enjoyed it.
