Frommer's EasyGuide To Walt Disney World And Orlando 2014 (Easy Guides)

Synopsis

Selling for a lower price than any similar guidebook, and deliberately limited to a short 256 pages, this EasyGuide is an exercise in creating easily-absorbed travel information. It emphasizes the authentic experiences in each destination: the most important attractions, the classic method of approaching a particular destination; the best choices for accommodations and meals; the best ways to maximize the enjoyment of your stay. Because it is "quick to read, light to carry", it is called an "EasyGuide", and reflects Arthur Frommer's lifetime of experience in presenting clear and concise travel advice.

Customer Reviews

Jason Cochran lives in New York City.

This excellent guide was my primary resource to prepare for an upcoming trip to Orlando. I found the writing style engaging and the information comprehensive. You'll find an in-depth look at WDW parks and tips to make the best use of your time. I was also delighted to find overviews of all key attractions in the area including Universal Studios, SeaWorld, and even Busch Gardens! You'll also find advice on where you can get away from it all to recharge. Also included are dining, transportation, and accommodation information. I found this to be the perfect guide to prepare for our trip.

To the point. Tells you what is and is not worth your time and \$\$\$. Concise without a lot of extra words. Also has very good maps

Unfortunately its quite out of date, even though only 2 years old.

1 year out of date but still a great resource!

Incredibly helpful!

Such an easy read!! Very helpful! Great advice/ideas!! So glad I used it! I appreciated the easy breakdown it provided.

Not happy with this book at all - too wordy, print too small - basically not getting anything out of this guide at all. Can bet better information from the web.

This book came in handy and I liked the size of it. I bought it because it was the only one I saw that was for Walt Disney World and Orlando not just for Disney World. With the new Harry Potter additions there was no way I was going 3000 miles and not seeing Universal. My main problem was it was that they didn't rate, review or mention the hotels I stayed at even though they were right near Disney World. I stayed at Bonnet Creek Hilton and switched to Bonnet Creek Wyndham Grand because we stayed extra time and stopped getting a convention rate. It would have been nice to know beforehand that the area called Bonnet Creek is in the middle of nowhere with no amenities other than one or two restaurants and a store that had mostly Disney gifts and some overpriced band aids. I'd only been to Disneyland previously and there are plenty of real world restaurants and drugstores nearby if you need something. Not so at Disney world.
