Gr 3-5 •Each volume of this charming series explains the process of a successful business from idea to sales. They capture not only the excitement of the enterprise but also the hard work and expense. The layout is inviting, with captioned photos, text done in a large, clear font, and "Tip Central" features of extra information. The only weakness is that some of the photos depict children who are younger than the books' target audience. Each title ends with a checklist of tasks to be completed. --This text refers to the Library Binding edition.

Emma Carlson Berne is the author of "Never Let You Go", "Still Waters", "Hard to Get", and "Sunset Ranch". "She lives in Ohio with her family. --This text refers to the Library Binding edition.
