Managerial Accounting (5th Edition)

Synopsis

For Introduction to Management Accounting courses. Managerial accounting taught through real-world business application Managerial Accounting helps readers see how managerial accounting concepts are used in business to make decisions. By presenting actual accounting decisions made in companies like Target and Macy's, the text's precise coverage of the core concepts better engages readers in the content. With new problems, cases, and applications in the 5th Edition, readers receive the most up-to-date information and practice opportunities to prepare them for their future careers in accounting. Also Available with MyLab Accounting MyLab Accounting is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Note: You are purchasing a standalone product; MyLab Accounting does not come packaged with this content. Students, if interested in purchasing this title with MyLab Accounting, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and MyLab Accounting, search for: 0134641809 / 9780134641805 Managerial Accounting Plus MyLab Accounting with Pearson eText -- Access Card Package Package consists of: 0134128524 / 9780134128528 Managerial Accounting 0134161645 / 9780134161648 MyLab Accounting with Pearson eText -- Access Card -- for Managerial Accounting

Customer Reviews

Karen Wilken Braun is a professor for the Department of Accountancy in Weatherhead School of Management at Case Western Reserve University. Braun is also the Beta Alpha Psi adviser and the director of the undergraduate accounting program. Professor Braun was on the faculty of the J.M. Tull School of Accounting at the University of Georgia before her appointment at Case Western. She has received several student-nominated Outstanding Teacher of the Year awards at both business schools, and is regularly asked to speak to student clubs and organizations about personal financial planning. Å Å Braun is a Certified Public Accountant and holds membership in the American Accounting Association (AAA), the Institute of Management Accountants, and the American Institute of Certified Public Accountants. She also holds the Chartered Global Management Accountant designation, and is a member of the AAA's Management Accounting Section as well as the Teaching, Learning and Curriculum Section. Braun has regularly held leadership positions with the AAA's Conference on Teaching and Learning in Accounting (CTLA) including co-chairing the 2015 and 2016 conferences. She was awarded the 2016 Bea Sanders/AICPA Teaching Innovation Award for her development of Excel-based active-learning resources for introductory managerial courses. Braun's research and teaching interests revolve around lean operations, sustainability, corporate responsibility, and accounting education. Braun's work has been published in Contemporary Accounting Research, Issues in Accounting Education, and Journal of Accounting Education. Å Å Braun received her PhD from the University of Connecticut and her BA, summa cum laude, from Luther College, where she was a member of Phi Beta Kappa. Braun gained public accounting experience while working at Arthur Andersen & Co. and accumulated additional business and management accounting experience as a corporate controller. Å Å Braun has two daughters who are both in college. In her free time, she enjoys biking, gardening, hiking, skiing, and spending time with family and friends. Å Å Wendy M. Tietz is a professor for the Department of Accounting in the College of Business Administration at Kent State University. She teaches introductory financial and managerial accounting in a variety of formats, including large sections, small sections, and web-based sections. She has received numerous college and university teaching awards while at Kent State University. Å Å Tietz is a Certified Public Accountant, a Certified Management Accountant, and a Chartered Global Management Accountant. She is a member of the American Accounting Association (AAA), the Institute of Management Accountants and the American Institute of Certified Public Accountants. She is a member of the AAA's Management Accounting Section as well as the Teaching, Learning and Curriculum Section. She has published in Strategic Finance, IMA Educational Case Journal, Issues in Accounting Education, Accounting Education: An International Journal, and
