Customer Reviews

A cute book .. but "Yuck" for Vegetables was a little disappointing.. could have promoted healthy eating options.

I thought this was a lovely fun book for this age level with large beautiful images and nice sized font as well. Thus I wish to recommend this for five stars and for the wee folks and up to eight years old who enjoys hearing and seeing what Sammy might be up to next. I received this for free using KU, in return, here's my honest review. Super work V ! By Angela
