Boston & Maine In The 20th Century (Images Of Rail)

Synopsis

As the twentieth century dawned, the Boston & Maine Railroad Company controlled virtually all of the rail lines in New Hampshire, as well as much of the service in Maine and Massachusetts. Ultimately, the company operated more than 2,000 stations in northern New England. The train was the most important mode of travel, and the stations were the center of the community. *Boston & Maine in the 20th Century* continues the first pictorial history of the railroad company, entitled *Boston & Maine in the 19th Century*. With more than 200 rare images and historical narrative, the book details the trains and their destinations: the terminals, stations, depots, and whistle stops to which they sped. Times changed, and the railroad was passed by; however, its legacy lives on.

Book Information

Paperback: 128 pages

Publisher: Arcadia Publishing (May 14, 2001)

Language: English

ISBN-10: 0738505471

ISBN-13: 978-0738505473

Product Dimensions: 6.5 x 0.3 x 9.2 inches

Shipping Weight: 10.2 ounces (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars 4 customer reviews

Best Sellers Rank: #886,022 in Books (See Top 100 in Books) #158 in [Books > Arts & Photography > Vehicle Pictorials > Trains](#) #215 in [Books > Travel > Food, Lodging & Transportation > Railroad Travel](#) #319 in [Books > Engineering & Transportation > Transportation > History > Railroads](#)

Customer Reviews

To preserve and document the history of the region's transportation giant, author Bruce D. Heald worked extensively with the Boston & Maine Railroad Historical Society. Historian, educator, and railroad enthusiast, he has dedicated *Boston & Maine* to the society for its generous assistance and support in assembling this memorable reflection of American railroading.

This is a companion to the *Boston & Maine in the 19th Century*. Many NH depots are pictured. There's a very helpful listing of b& M station name changes, a list of junction points, and various maps, timetables and illustrations.

My husband finds all these books quite interesting. His love of railroading has given him many years of pleasure, whether he's out taking pictures, riding the rails or just reading about them it's something he enjoys greatly.

Item as described, shipped timely and well.

Good history, mostly pictures of stations, however.
