The Berenstain Bears: Hospital Friends

Synopsis

The Berenstain Bears take a trip to the hospital and get a special tour! While Brother and Sister Bear see all the amazing things that happen in the hospital, they make new friends along the way! Young readers will learn about doctors, nurses, patients, and more in this fun and informative 8x8 storybook. All of the author's royalties are being contributed to the Stan & Jan Berenstain Healthy Kids Foundation, a charitable organization devoted to children's health issues.

Customer Reviews

The Berenstain Bears take a trip to the hospital and discover that it's such a busy place! There are doctors, nurses, patients and lots to learn about how to be healthy. Brother and Sister Bear see all the amazing things that happen in a hospital and make new friends along the way! All of the author's royalties are being contributed to the Stan & Jan Berenstain Healthy Kids Foundation, a charitable organization devoted to children's health issues.

Mike Berenstain lives in Bucks County, Pennsylvania, where he continues to write and illustrate wonderful new adventures for Mama, Papa, Brother, Sister, and Honey Bear. Mike Berenstain lives in Bucks County, Pennsylvania, where he continues to write and illustrate wonderful new

adventures for Mama, Papa, Brother, Sister, and Honey Bear.

There are better books out there that explain what happens to children who need to go the hospital. So I would say this isn't really well suited for 'sick' kids, the story is just way to general. But is a nice addition to the B. Bears series and appropriate for general audiences. So read this as a bedtime story and not as a tool to prepare a sick child to go the hospital. 'Franklin Goes to the Hospital' is a better option for preparing sick children for admission.

I think this book will be great for helping to explain hospitals to our son. He'll be going back for yearly visits until he's 10. I also got a copy for his cousins.

Nephew loves them! Mom reports having to read these books nightly for several months now, lol :)

Another nice Berenstain Bear book, but since when did they get to be so long? Almost loses my 4 year olds attention span.

Great book

We have always loved The Berenstain Bears books! This is a great book that talks about friends in the hospital. My kids always gravitate to The Berenstain Bears books at night during reading time so we found this one that we had never read and knew we needed to add it to our collection. Great choice! Recommend for sure!

Very good book to help my young kids get familiar with hospitals and not be scared of them.

A great book from Mike Berenstain to ease a child's anxiety of a hospital visit.
