Softball Fielding Drills: Easy Guide To Perfect Your Softball Fielding Today! (Fastpitch Softball Drills)

Synopsis

Great practice drills for fastpitch softball fielders. Brought to you by Gary Leland publisher of the Fastpitch Softball TV Network. Gary's teams won the 14 and under, and the 15 and under Texas USSSA State championships back to back. His teams came in fourth and fifth in the USSSA National Championships for 14 under, and 15 under. Now he shares some of the drills his team used while training his fastpitch softball team. It seems like a lifetime ago, but I still remember when I started coaching my daughters fastpitch softball team. I had played a little baseball growing up, and some slowpitch softball along the way too. I soon found out two things. One is that fastpitch softball was a sport of its own. While so many things are the same. There are many things that are different in fastpitch softball than baseball, or slowpitch softball. Two is that I knew nothing about coaching fastpitch softball players at all. Playing sports had not really taught me how to coach. One of the main things new coaches are looking for is information. This book is my attempt to provide another source for that information. While I admit I did not come up with these fielding drills. Many of them have probably been used for years, and years. What I did was find many of the great fielding drills I used with my players while coaching. Then I wrote them in an easy to understand format. Trying to make them easy to learn and use. While this may be a guide for coaches to help their young players, this is also be a great resource for parents hoping to help their daughters become better fastpitch softball players.

Customer Reviews

This book is great for coaching. It also gives coaches great ideas for practices for his/her team. The girls will think the drills are fun and active.

Great drills

Good job, Gary. I will be in touch.

Awesome quick read. Bookmarked several drills that I will be referring back to. Even marked a few to share with Coach.

I choose a five star rating because this book helps my softball out a lot. I like this book because it has drills I'm here that are very challenging and very hard-working. Did I mention that we are only in middle school. I also really like the batting drills that help our team. So I would love if you will keep making these awesome books

I will be using a number of these drills this year. Very good book for the price. Will look for more like this.
