She shares information on how she moved to paradise with a \$1000 a month base retirement income. She shares inside secrets on finding the best rentals for the lowest rents and the best real estate choices in Puerto Vallarta, Mexico area. ## Customer Reviews

Sandy gives many thoughtful hints about retiring to PV, or ANY destination. Thanks so much for sharing your thoughts! Vaya von Dios.

I am a believer that you can never have too many how-to books in your library

great book

Interesting info. Could've used a lot more in-depth information about exact places and exact ideas to get the juices flowing in. But the information that was provided was really great and made me happy that I took the time to read the book. Good job

The author makes a poor attempt at trying to convince us to retire south of the border. If you're looking for information, this is written from and about where the author lives, Puerto Vallarta. No mention of other cities. Just this one. Look elsewhere for info before you follow the author's advice.

Nice quick read about living in Mexico on a semi or permanent basis. I have chosen to live in Thailand and enjoy it as well.
