Genesis (LifeChange)

Synopsis

The book of Genesis is all about beginnings. God creates the heavens, the earth, man and woman. But rebellion breaks out, and God begins the task of mending His relationship with mankind. This Bible study on the events that unfold in the extraordinary book of Genesis shows how this book gives form to the entire Bible, right to the end of Revelation and God's plan for a new beginning. Includes study aids and discussion questions. If using in a group, personal study is needed between meetings. 19 sessions

GENESIS. The first book of God's revelation to man is a book of genesis: beginnings. God creates the heavens. The earth. Man and woman. But rebellion breaks out, and God begins the task of mending His relationship with mankind. The events that unfold in this extraordinary book give form to the entire Bible, right to the end of Revelation and God's plan for a new beginning. LifeChange Series: Christians have a lifelong goal: to become like Christ. This involves change, and change isn't always easy. But the more you know of God's purposes for you, the more you can experience His joy and participate in His plan. The LifeChange Series of Bible studies on books of the Bible can help you grow in Christlikeness through a life-changing encounter with God's Word. You'll benefit in these important ways: 1) You'll gain a firm understanding of the book-its historical context, purpose, structure, and meaning; 2) You'll

apply its powerful, relevant wisdom to needs and issues you are currently working through; and 3) You'll acquire personal study skills and a thirst to return to the book on your own-so you can keep going deeper into its life-transforming truths.

The Navigators is an interdenominational, nonprofit organization dedicated to helping people "know Christ and make Him known" as they look to Him and His Word to chart their lives. Navigators have invested their lives in people for more than seventy-five years, coming alongside them life on life to study the Bible, develop a deepening prayer life, and memorize and apply Scripture. The ultimate goal is to equip Christ followers to fulfill 2 Timothy 2:2 "to teach what they have learned to others. Today, tens of thousands of people worldwide are coming to know and grow in Jesus Christ through the various ministries of The Navigators. Internationally, more than 4,600 Navigator staff of 70 nationalities serve in more than 100 countries.

Two friends and I studied Genesis with this guide and we have studied eighteen lessons weekly with only one lapse. Because the 19th lesson (review) is quite lengthy we decided to take two weeks to study that lesson so we could adequately prepare for it. We all feel that we have benefited from this study in both new knowledge and application to our lives. Some lessons had repetitive questions but that was not a problem.

Loving this study! Questions are about the text and not about how you 'feel' about what you're reading so it helps you dig deeper and make connections that stick. There are so many options to take your study as far as you'd like and questions really make you think. I have a whole new appreciation for Genesis after reading this. This study requires real reflection and focus to get something out of it which is just what I was looking for

I love this series. My bible study has used it often and we are never disappointed. You will learn fascinating facts.

Excellent Bible Study using inductive method. The notes are helpful, the questions well thought out.

This book presents a very interesting bible study, for an individual or for a classroom or group study. Definitely recommend.

This study digs deep into the stories of Genesis and provides excellent facts. The questions are thought provoking. I like how the publishers don't try to force an opinion but allow the reader to come to conclusion through the prompting of the Holy Spirit.

Navigators came thru again

Over the years I have used many study guides for personal and group use. The Life Change series is one of the best for both gaining Biblical knowledge and practical life application. For those who want more than just an education and looking for real life change.
