Fart Dictionary

Synopsis

The one and only Fart Dictionary is a hilarious, illustrated collection of fart definitions for every occasion, covering a wide range of topics. Whether it's politics, poetry, karaoke, Mardi Gras, Food Network, Jane Austen, love, war, ghosts, family, sports, fashion, Shakespeare, or vegetarians, there's a fart in this book for everyone. Examples include "apple fart: a fart that keeps the doctor away," "boomerang fart: a fart which has somehow returned to haunt you," and many, many more. Featuring whimsical artwork and all wrapped up in a classy little package, Fart Dictionary is a perfect gag gift and certain to be a hit with anyone who has ever laughed at the sound of breaking wind.

Scott A. Sorensen is a mechanical engineer who once worked on the development of amusement park rides at Disney World. Finally deciding to abandon the amusement park trade, Sorensen moved back to Florida and decided to pen his masterpiece: Fart Dictionary.

This was a gag gift for my husband for his birthday. He took it to work to share, I caught him laughing with it a little here and there, and he even shared the "funniest" ones with me, much to my dismay. He really enjoys this book. Its currently tucked away in his drawer, so for now we don't have to hear what kind of farts are going on with he and the boys...my girls and I are ladies and don't do such things. :-P

Book arrived yesterday and the binding was torn, very disappointed, can't give it as a gift since it looks like I got it out of a free discarded book bin. Funny book overall.

Got this book for my husband as a stocking stuffer, he loves it, he took it to work and I ordered one for his co worker. Very funny, no violence just plain funny.

It's a fart book...I can't give it 5 stars, it's against all I am. It's a book on farts...don't know what else to say about it. Made my nephew laugh, and that was the point. He read it aloud on xmas for hours on end...I know more about the different types of farts than I probably should know.

Gives new meaning to the word "fart" --- literally!

This has brought a lot of joy and has a home in the bathroom. If you want to know more that you need to know about farts, this is the book.

This book is very funny, if you like this type of humor. Plenty of laughs in this book.

This is a "fart" joke book. It's pretty darn funny. It's been used as a go between turns in our ladies night scrabble game with many laughs. Some are outrageously funny, some not so much.
