Review:" (Vibe Magazine) "Activity book is designed for sneaker heads the world over" (jumpmanbostic) "Dope Idea Solefam"" (Nikeblog) "The perfect gift for any sneaker head" (customer) "This coloring book is amazing. I have had this coloring book for about a month now and I'm still not done with it." Also seen at Sneaker Con

My 14 year old loves this book and it gives him some non screen time to be creative in art and design. Great buy!

I love the coloring book. I'm coloring it for my bf but I'm having a problem with the colored pencil rubbing off on the other shoe I'm coloring. So it's like I'm seeing double of what I colored that's the reason for the 3 stars it makes me mad and makes me not want to finish it because it kind of ruined what I had already colored. You can see in the picture what I'm talking about

My 16yr old son loves this coloring book as much as he loves his actual Jordan's. Fast delivery and its great for my sneaker head son. Thanks for the fast delivery and great product.

My son enjoyed it

This was a fun little gift for a teenage boy who loves his Nike shoes!! He has had a blast designing his own creations.

Wish was like other davinci book where the pages are single

My son LOVES this book.. he is a true Jordan fan... it's is accurately described.

This product is awesome! It's so much fun and is an amazing relaxing/stress relieving activity! I was very satisfied!
