## Customer Reviews

Roger Priddy left school at 16 with just one qualification – in art. He went to Berkshire College of Art and Design and trained as an illustrator. His first job in children's books was working with the publisher Peter Usborne, at Usborne Publishing, and then he worked with Peter Kindersley at Dorling Kindersley, where he spent 16 years. Priddy became Creative Director of DK's Children's Division and was Managing Director of the children's mass market publisher Funfax when it was acquired by DK. In 2000, he created Priddy Books with John Sargent at St Martin's Press to create innovative and imaginative titles for children, from first books for babies through early reference titles for older children. Since then, over 30 million copies of Roger's 200 plus books have sold worldwide, with five of his books – *My Big Animal*, *My Big Truck*, *Happy Baby Words*, *Happy Baby Colors* and *Puppy and Friends* – each selling over one million copies. He is also the author of *Big Board First 100 Words*; *Big Board Books Colors*, *ABC*, *Numbers*; and *Bright Baby Noisy Monsters*. His creativity has been recognized with numerous industry awards. Priddy lives in London with his wife Zena and their four children.

Very nice book. I ordered two of the bright baby brand touch and feel books and one DK brand touch and feel. I do NOT recommend the DK brand. Terrible quality and the "feel" parts are so small I can barely fit my finger on them. This book on the other hand has good quality, large "feel" spots and is over all nice looking.

I bought this for my four month old daughter who loves reading books. She liked this book and the touch and feel aspect. It is a little wordy for a child her age, but I could see her really liking the book as she grows a little bit older and has a longer attention span. I also liked the animals they chose to highlight in the book ( i.e. panda, lizard, elephant, zebra, lion).

Very nice textures. They are holding up after quite a bit of an abuse by the LO. If any negative, is that it has very few animals...probably 5 or 6 if I remember correctly. Again, for the price and quality of the book I wouldn't hold it against it. Hence the 5 star.

My niece loved her birthday present. Thanks to prime, this book arrived for her early impromptu party. Each page is has a touch and feel area. The lizard sparkled so beautifully. It was so intreging that my shy niece who lives out of town and only sees my every other month, let me read it to her.

Short and sweet touch and feel book with cute poems on the pages. Good varied textures and, in comparison with some children's books out there, it looks like some effort was actually made when writing this book.

My grandson loves these books.

Nice board book. So far granddaughter has not torn up the touch and feel parts of this book. Grandchildren love animals. So I am glad I ordered this book.

My daughter absolutely loves this book.
