Wade [Grizzly Ridge 3] (Siren Publishing The Lynn Hagen ManLove Collection)

Synopsis

[Siren Publishing: The Lynn Hagen ManLove Collection: Erotic Alternative Paranormal Romance, shape-shifters, M/M, HEA] Benny loves having a job. He is able to get out from under his parents overprotective thumb and meet some really nice people. But his freedom doesn't last long...not when Wade Rising enters the bar. When Benny is taken to Wade's clan, his worst fear is that the bears will eat him. His first clue that he is in trouble? Wade's brothers keep licking their lips. Wade can't believe his mate is a fluffy little bunny. His bear isn't sure if it wants to claim Benny or eat him. Worse yet, his brothers look at Benny as if Wade has just brought dinner home. But after hauling Benny over his shoulder and taking him from the bar, trouble follows on Wade's heels. The crooked sheriff is demanding Benny's return. Benny's parents are raising hell that he's been taken to a bear clan. Will anything go right for Wade and Benny? ** A Siren Erotic Romance

Customer Reviews

I have never laughed so hard or been so moved by Wade and Benny's story. Bear and a Bunny--too funny. What I also loved was the feeling of family. The brothers teased Benny but knew

he was family. Good job Lynn! Can't wait for Duane's story.

This was another great book and I can't wait to read more of this series and I hope it's soon

Lynn Hagen knows how to write a book full of intrigue, kidnapping, greed, fear, teasing, machismo, and a posse in the woods. This is a humorous story full of prey shifters - Bunnies that are recklessly fearless, as well as some of the Bear shifters. The third book involves another sudden bite, but also a very public "kidnapping" in a crowded bar in Grizzly Ridge. Causing a bartender / owner, a mean sheriff and the kidnapped mates parents a great deal of consternation. Conternation and a posse that became aimed at the Bears on the mountain. But even worse than the posse was the invasion of the Bunny's parents. In laws coming to rescue their youngest son. Tough no nonsense Bunnies. Benny the Bunny had wanted to get away from under his over protective parents thumbs, but not into the mess his parents had always warned him about and where he found himself. Well not all of it. Some of it wasn't too bad. Actually it was downright screamingly delightful. So much so the other Bears prayed he'd hurry and get pregnant. The Bears kept teasing & sniffing him as being Prey to the point that the Bunnies never knew if they were playing or not. Then there were the other shifters on the mountains. But far worse was the posse rounded up by the corrupt sheriff, who was using the chance to hunt and shoot the Bears, as well as for other nefarious purposes. One Forest Ranger tries to protect the Bears and their mates, but ends up in the wrong place at the wrong time. I wonder - I hope he will be someone's mate? It was a fun adventure with the Bunny shifter, Benny as a loud mate! For you mpreg fans, Bobby Ray & Noel experience their delivery and Wade's mate becomes pregnant. Bunny lovers will enjoy this book as much as mpreg fans.
