# Thirty-One Prayers For My Husband: Seeing God Move In His Heart

## Synopsis

Marriage is one of the most beautiful things God ever created & prayer for your marriage is one of the most essential parts of sustaining a Christian marriage. Prayer is the gift God gave us to be able to have direct access to His throne room to communicate with Him. This book of 31 marriage prayers is purposed to encourage and guide you as you pray for specific aspects of your husband's life and character. My hope is that this marriage resource motivates you to intentionally pray and petition for your husband and your marriage on a daily basis through the power of prayer. There is even free writing space for you to add your own thoughts and prayers to each marriage prayer, to make them your own, and to lift up specific prayer requests your husband may have. I urge you to consider the importance of being a wife of faithful prayer, to commit to praying for your husband and marriage daily, and watch God move in both your hearts! If you have been blessed by the marriage book, "Power of a Praying Wife by Stormie Omartian", you will also be inspired by 31 Prayers For My Husband. This compilation of marriage prayers was carefully composed based on areas of life that almost every husband faces. As you use this resource to pray over your husband you will: Be encouraged to pray for specific areas of his life. Be challenged to make prayer a priority. And your heart desires will align with God's

This is a fine book of prayers. I often find it hard to pray for my husband, it may be that he is not communicating his needs or desires to me or that my personal issues occupy my mind not leaving room for my husbands. Whatever it is, I'm so thankful for this book. I have developed a habit of praying for my husband because I could use the prayers already printed. Now, every man and every marriage is unique, but the majority of these prayers were relevant for us. I love the space available to compose your own prayers. This book does assume that your husband has some sort of knowledge and faith in Christ. Although, it will be very valuable to an unbelieving spouse as well. The prayers printed are wonderful with meaning. I also use them like an idea to remind me of specific areas I can pray for my husband. This small book has been a valuable guide for me and my husband. My prayers have more substance and now cover many areas where my man struggles or is being attacked. I would recommend this pray book as a guide or prayer itself to any wife. Thank you for writing this book.

Great book to read to help with prayers for your spouse. Would recommend every wife get this book.

Bought as a gift. The receiver was super excited.

I am currently reading through the daily prayers and scriptures that go with each. I love them. It has helped me prayer for my husband better and helped me grow a little closer to him. I love this book and highly recommend it to other wives.

Enjoying the prayers, and the connection with my spouse. Its allowed us to communicate on a spiritual level, and feel and remember why we got married. A real asset for any marriage new or old.

POWERFUL

My hubby and I read this every night and we love it. It's amazing how it seems like the prayer knows what is going on in our life that we need strength on! I love this book!
