Sean O'Shea is Professor of Design for the Oregon Center for the Arts at Southern Oregon University. He has worked as a scenic designer in the Northwest and New York for 15 years. He has taught scenic art for much of that time, and he is an instructor for the Teacher's Training Summer Seminar at Cobalt Studios in New York.

Professor O'Shea knows what he's talking about. A great guide for theatremakers.

Great book! If you are a scenic painter, theatre teacher, technician, or theatre student this book will be incredibly useful. I highly recommend this book.
