Kevin Revolinski is the author of *60 Hikes Within 60 Miles of Madison*, *Backroads and Byways of Wisconsin*, and *The Wisconsin Beer Guide*. His articles and photography have appeared in the *New York Times*, *Chicago Tribune*, and *Miami Herald*.

While I wish it had more pictures, this guide has very useful information. I spent most of my adult life in this city and I like to keep up with it over the years and this book helps me. It gives a

comprehensive guide to Madison and from the perspective of the people in the city.

Restaurant listings seem to be extensive. Some of the other sections (hiking, nature, ...) have almost no information in them. I bought this kindle version based on the table of contents in the sample, and feel like I just wasted \$9.99.

I am really glad I purchased this book. It includes a listing of restaurants, motels, shopping, attractions, annual events, things that would be of interest to people (some sections are bigger than others) though most everyone should be able to plan a trip around this book or if you are a local person you should be able to find places to check out that you didn't know were here.. It also includes a short description of the place and also how much the place will cost by a number of dollar signs. Some of the attractions say the exact price ie, the zoo is free and it states that. Hours of operations of places and if they are closed certain days are also included.
