This map touts itself as showing Cleveland and Cuyahoga County. It does not show North Royalton, Strongsville, Brecksville, or Broadview Heights, the southern suburbs of Cuyahoga County two or three of which have some of the best schools in Ohio. We were going to use the map to mark real estate listings for some friends, since their kids are school age. Recommendation is to buy a map that does show cuyahoga county, not this one which just says it shows cuyahoga county.

I definitely can use this, and it's easy to read.

Paper flimsy folded map. Thank goodness for navigation apps.
