The Book Thief/I Am The Messenger Paperback Boxed Set

Synopsis

Two award-winning modern classics from #1 New York Times bestselling author Markus Zusak. *The Book Thief* affirms the ability of books to feed the soul even in the bleakest of times in a story the New York Times described as “brilliant. . . . the kind of book that can be life-changing.” *I Am the Messenger* is a cryptic journey filled with laughter, fists, and love, which School Library Journal called “unpretentious, well conceived, and appropriately raw” in a starred review. Markus Zusak is the recipient of two Printz Honor Books and the Margaret A. Edwards Award for his significant and lasting contribution to writing for teens, and together, these two stories form an extraordinary collection to showcase the intensity and heart inherent in his storytelling.

Customer Reviews

Markus Zusak is the author of *I Am the Messenger*, a Printz Honor Book and Los Angeles Times Book Award Finalist, and the international bestseller, *The Book Thief*, which has been translated into over thirty languages and has sold nine million copies around the world. He is the recipient of the Margaret A. Edwards Award for significant and lasting contribution to writing for teens and lives in Sydney, Australia, with his wife and children.

This is a two-in-one e-book. I have finished the first half, *The Book Thief*. I wish I was in a book club

so I could talk with others who have read this book. I still don't know what I think of the author's decision to use the character of "Death" as the narrator of the book. This created an experience similar to watching a play in which the actors "break the 4th wall" and speak directly to the audience. The narrative by Death seemed to minimize the pain in the story by creating a separation that kept me from being drawn into the story. I never forgot I was reading a work of fiction. Did this allow me to keep going, or did it trivialize the evil of the Nazi reign in Germany? Or did it do both? It was only in the last two chapters that I felt a real connection to the characters in the story. When the pain hit, it hit hard. If it had not been the end of the book, I may have stopped reading. I will be interested in what others think. I do plan to finish the e-book and read I Am the Messenger at some point.

Loved the movie but found the book very hard to read as it is not told by the main character in the story! I read several books a month so I feel that I can give this review!

The Book Thief and I Am the Messenger are two books by one of my favourite authors and I liked the fact that they were sold together for a quite affordable price. Thanks for this great offer!

The Book Thief was an interesting read. Would have given it 5 stars except for the bold print from the grim reaper. I Am The Messenger was what brought it up to 4 stars. A nice read. Very pleasant with a message. A message I like.

Strange book, but I enjoyed it. Highly recommend it! Well worth the reading. I look forward to my first ace ;-)

Such a great Read!

Possibly the best book I have read, just that simple. I would recommend this book to all ages. It will bring back memories of anyone's childhood and your relationship with friends.
