## Customer Reviews

ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, is the leading international map publisher with more than 425 map titles in print. The company's titles include many that are unique or the first of their kind, including an extensive series of travel and city maps covering Europe.

I was in Krakow as part of a tour. First, before leaving on a trip, this map helped me identify an error in the tour itinerary where the tour company had the hotel address listed incorrectly. Second, when in Krakow also found how to get, as a personal side trip, to the nearby Divine Mercy Sanctuary (Saint Faustina), Basilica, Chapel and Tomb. The map also has the tram routes and numbers marked. Hard-copy maps are invaluable and this is a very good map.

I used this map to find the location of our hotel, train station, and the old town. It was perfect.

Krakow (Poland) 1:8,000 Street Map is very basic. Unfortunately it doesn't cover majority of outlying areas that are still within Krakow's city limits. There's a good choice of free maps if you just want to stay within the old town.

Looks like this will prove to be valuable on our trip.

Delivered as promised and very informative

Was a helpful addition for my travel planning. Easy to pack and use. Inexpensive enough to discard with no regrets when my time there was done.

If you are going to visit Krakow, this map is a MUST. Large print and easy to read. I only wish it was in a laminated format to protect it from the rain (our preferred format).

Informative
