Eternal Hell: Eternal Book-2

Synopsis

When Evelyn and her group find one of the only children left on the Earth-an autistic child-the Devil begins lurking in the darkness, following their every move. Of all the horrors the Earth now holds, none are comparable to how treacherous the living become once their humanity is thrown out the window. With modern day concentration camps, Evelyn realizes survival isn't just about fighting for your life, but your humanity in a world full of terror.

Customer Reviews

Normally I would avoid any kind of religious book, but this book is awesome. It's not preachy. It involves death, destruction and love. I recommend this book to any who loves a good story.

Loved this book. Couldn't put it down.

After reading the first book in the series, I couldn't wait to get this one. What a disappointment! The story and plot just completely went downhill in this book. The author threw in some really twisted theology and personal biases that ruined the original story. Basically, it sucked so bad that I had to

get a refund! I definitely WILL NOT buy any more in the series, and probably not from this author.
