## Synopsis

If you are into bullet journaling and want your kids to have fun and be creative with journaling too, this book is here to help! Designed to be suitable for either boys or girls, this dot grid book would allow your kids to write in straight lines, sideways, diagonally, or even free form. Drawing is also limitless; therefore, "Big Bullet Grid Journal for Kids" will never limit your kid's imagination. Plus, "Big Bullet Grid Journal for Kids" offers your child all these wonderful features and benefits; Colorful book cover design that inspires kids to write and draw in. A4 size with 110 pages, so this book is big but not bulky. Kids can carry along trouble-free, making the most use of their beloved journal. Wide spacing of 0.34 inches between each dot. Space is therefore ample for the little hands to write, in any letter size. Thicker paper than general notebooks. (Extra blank sheets may still be required in case of using it with some marker pens.) Cartoon doodling on random pages that invokes the muse of little artists to draw many of their own! Page numbers at the bottom of every page, with a few prompts on the first page to help draft their own Index (or so-called Table of contents). Blank 12-month-calendar tables that help kids create their own calendar with ease. Future log and Monthly/Daily log are redefined as "Future" and "Present" headers, making them more understandable, and practicable, by the little angels. Suggested symbols that help children make their own Keys on the last page. Coming with the spaces on the book cover and on the book spine that kids can write their own name, and their own book subject and volume number, "Big Bullet Grid Journal for Kids" will be a great book for kids to have their very own journals, as well as their creative notebooks for school or homeschool. If you have already got basic knowledge about bullet journaling, now let your child also be exploring limitless possibility of journaling on paper, that no technology can match!!
