Customer Reviews

Great quality, colors and put together very well. As my bible is thicker due to it being a study bible with a concordance in it it was difficult to find a cover that fits. This fits perfect, highly recommend

I purchased this cover along with the coordinating tote bag. It is beautiful and it fits my bible perfectly. I love it so much I purchased one for my sister and two other friends.It is well made and I love the inside half pocket and pen loop. The pocket on side is great for storing my sermon notes. Highly recommend.

Love it! I had been looking for a cover for a while. Checked stores and online and could not find anything I liked. I finally found this one and it’s perfect! The color and texture are beautiful and the colors match my bible. The fit is perfect and I love the scripture message on it. I love the longer handles because I can wear it like a small purse on my elbow while keeping my hands free---I have two little ones so that is very important..

True to the picture. The color scheme was awesome as well. This was a great buy! It was the only cute bible cover I could find with out a cross all over it! Had replace the Cross on the zipper tho.Bc according to (Exd 20:2) we not supposed to make unto us any graven images.

It is such a great cover and I am so pleased with the quality and the way it feels. It fits my ESV Study Bible with tabs very well.

I love this bible cover so much, very pleased with this purchase, fits my bible nicely with spare room but not too much that it slides around or anything but where I can fit a small journal in with some pens etc. and the pockets on the outside is where I store my hilighters. definitely a pretty bible cover and seems pretty durable as well! Everything I have ordered from this seller has been what I expected and more will definitely order from them again!

The zipper is sturdy and seems like it will go the distance. There is ample room for a large Bible with tabs. I use it for my "Catholic Scripture Study International Holy Bible" printed by Saint Benedict Press. I have plenty of room for my pen in the holder they provide and papers in the interior flap/pocket. The mesh net pocket inside near the pen holder is tiny so it doesn’t hold much. However, the two outside pockets are roomy. Also it has two handles for easy carrying and lays

completely flat when I open my Bible. The whole case feels like a quilted fabric that won't stain easily. It was just what I was looking for.

I bought two of these, one for me and the turquoise one for my mom as a gift. I thought they were black but they are actually brown and pink .. and turquoise and brown. Absolutely fabulous!! We couldn't be happier. My life application study bible fits great, and mom's large print life application study bible fits as well. Definitely worth the purchase!!
