## Customer Reviews

Lisbon is kind new to me and with the info's you can get in here you'll love it. It will make your visit more productive and has amazing tips on where to go and where to shop. The book also covers it's history and culture. It's good way to explore different places and this book is totally recommended!

I liked that this guide was concise. It did not bore you with extra details that were not necessary. I have been to Lisboa before but found some helpful locations to visit when we go back.
