Customer Reviews

Patricia J Murphy is the author of several nonfiction books for children.

Great book!

A decent book with dated information.

I was looking for a book on election day for my preschool class (ages 4-5) and this is a perfect book for them not only to read with me, but to take by themselves to look at pictures and to discuss with friends. I would recommend this book actually for children 4yrs - 1st grade. (Older 3 year olds

probably too!)

Great story for young readers. Simple text and to the point. Great way to introduce the concept of Election Day !!!

"Not only did I get this book at the estimated arrival date, but it also came undamaged which is highly important if you appreciate books as I do. I would highly recommend nickthebooknut to everyone, he is a true professional."
