What Really Causes Needless Casualties Of War?: Why We Have Authority Over All Of Satan's Power & Why People Get Hurt

Synopsis

Has God given his people authority over evil powers that oppress cities and nations? Or have we only been authorized to cast demons out of individuals? A problem came to the forefront in Christian circles in the 1990s. Believers were suffering devastating demonic attack after attempting to assault "regional principalities." As a result of these negative and even scary experiences, many concluded that God never gave us authority over these evil powers in the first place. Jonathan Brenneman re-examines that assessment. While drawing from the lessons learned by previous leaders of the "spiritual warfare" movement, he also challenges many deep-rooted assumptions. He brings to light serious scriptural problems with the position that Christians only have limited authority over Satan's power. Rather than dismissing the problem of "needless casualties," he offers a re-diagnosis of the cause. *What Really Causes Needless Casualties Of War?* is practical and encouraging, rooted in both scripture and experience. Stimulating fresh thinking, it leads to a renewed vision for what God is able to do on the earth through Christ's body, the church.

Customer Reviews

Jonathan Brenneman clearly presents the authority we have as Christians over all the power of the enemy. He clears up many areas of confusion about spiritual warfare with sound Biblical teaching. I have been a Christian for 48 years, lived in 2 countries and worked for various ministries. I have experienced deliverance as well as done it and participated in regional identificational repentance initiatives. This book clears up a lot of misunderstandings and will help you walk in the fullness of what God has for you.
