A little short, but a good plot. Rockne bumbles his way through a twisted scheme that falls apart when his old friend Dave is found murdered. Ames leads us in one direction that involves dark web sex industry but in the end it is something even more vile. Poor John Rockne still gets no respect from anyone, especially his police chief sister, but by the usual method of sticking his nose where it

he shouldn't solve the case by persistence. Can't wait for the next tale.

Another Dan Ames thriller that has you wondering what is going on from the beginning. If you like who done it then Dan is the man to read. Very hard to put down and a rather fast read. Another great story from Dan. This is by far my favorite character and series. Keep them coming.

EASY PREY by Dan Ames. I love Dan's books, and this is another good one to read. He has a wife and children, but not many other friends. One reason is he is always sticking his nose into what they want to keep hidden. Another is his sister is Chief of Police. With brother and sister the quibbling is refreshing in light of the murders. Well done, enjoyable to the end. Waiting for the next book from Dan Ames

This is the latest of many Dan Ames books that I have read. I have hundreds of books on my Kindle, and Dan is prominent among my favorite among my saved authors. I urge you to pick up and read one of his books. I can almost guarantee you will pick up another.

The John Rockne series is well written with great story's and enough twist and turns to keep the pages turning! Easy Prey was the best to date! Buy the book!!

Action packed fast paced you don't want to put the book down. I enjoy reading Dan Ames' book. Yes I recommend this book.

Good one. Rockland is good as always. Love the sister chief of police with all their banter. Good plot as always.

Dan hit it out of the park with this one. It grabs you from the beginning and gives you one heck of a ride. I've enjoyed most all his books. But this one is a spot on.
