I bought just between us: grandmother & granddaughter for my mom and daughter to journal in together. My daughter, as well as my mom, have always enjoyed writing and I knew this would be a great opportunity for them to share a part of their lives that they hadn't talked about before. I regret not knowing more about my own grandmother's life and I believe this will be a very positive experience for my daughter and my mom's relationship. The book is appropriate for all ages and is a great way to help strengthen the grandmother/granddaughter bond. It is a very special book and

I'm so happy I bought it!--Jane Izen

Wish I'd thought of this! Helping my granddaughter, 18, to know me...and helping me to understand her lovely thoughts. I remembered things from 50 years ago....and it was fun! She is enjoying the process, too!

Love this book. Started it with my 15 year old granddaughter. We liked it so much I got one to use with my son's 3 girls. I am having fun sharing it with them also! Great way for them to get to know me and for me to find out little secrets about them.

These beautiful books were delivered in record time, and my granddaughters and I love them!
