Fifteen Love: First Edition (PrettyTough)

Synopsis

PrettyTOUGH serves up another ace! Maggie Anderson and her twin sister, Bella, are a doubles team destined for tennis greatness. They've just started their freshman year at Beachwood Academy and it seems like everything--even the Olympics!--is within their sights. But when Maggie quits the tennis team suddenly, she leaves Bella in the lurch. Told in alternating first-person POVs, *Fifteen Love* is the kind of sweet, super-clean paperback you'd give to your younger sister. And with the original online series coming up--and a splashy series repackaging to match--the PrettyTOUGH books should have an even wider readership than ever before!

Book Information

Series: PrettyTough (Book 6)

Paperback: 272 pages

Publisher: Razorbill (August 30, 2012)

Language: English

Customer Reviews

Nicole Leigh Shepherd is the author of the Pretty Tough novels. She loves sports and believes in empowering and motivating young women to embrace their athleticism while encouraging them to lead active, healthy lifestyles.

Purchased for reluctant female students. The only issue I see with these is so many athletic students check the book out thinking it is about tennis, but it is full of so much more.

This book is a must. It takes two different girls, and shows the strengths and weaknesses in both of them. So while you may be cheering on one more than the other in the end you just want both of

them to win.

Whether you're a tennis player or not, you'll love this book - the 5th or 6th in the Pretty Tough series. This time around, the central characters are twins who approach their doubles game from very different perspectives. I liked that Maggie was a bmxer as well and not your typical tennis player.
