Customer Reviews

Digital is the way to go, super handy if you have a tablet/nook. MUCH cheaper than print version so there's a money saver

Arrived on time, brand new, and is exactly what I needed for my anthropology class.

The book was a little raggedy and dirty looking, the bottom corners were curled up.

It was the right book, but in terrible shape

Perfectly priced for rental

Good book fast shipping what else do you want :)

I believe a lot of the stuff in here. Not very interested in the subject though.

this book is helps me understand the material better.
