Customer Reviews

You certainly don't have to be a sports fan to enjoy this sweet, witty, and heartwarming story about Buster Allen. If you're looking for a laugh this is a great read!

This book is delightful and hilarious. I'm positive it will get kids excited about reading. Sports!

Teamwork! Flatulence! Courage to shine because of, not in spite of, being different! I just love it.

I thought this book would just be potty humor laughs, but was pleased to find it contained very good

messages about the cost of bullying, and chasing your dreams no matter what. My son loved it, and I enjoyed it too. I'd recommend to any parent.

I found this book hilarious and think all will enjoy. This Jet Sander is obviously an everyman's man, with a love of good ol' fashioned child rearin, and, judging by his football terminology, a Franco Harris fan. Again, a great read!

This is the type of book that gets boys to read. My son loved it. The story is great and the football expertise is perfect for play-calling aficionados.

Super adorable. Highly recommend. Especially for students who are not a fan of reading but love sports. This could be the book! Funny, incentive and entertaining.

This book is a fun read! It offers important lessons wrapped with every boy's favorite topic....and football! Buy this book for your children but also read it yourself. You'll enjoy it!

a riot to read!!! i highly recommend for young sports fans, those who play and those who just like to watch (like me). a fun book with a big heart!!
